

August 2 – August 9

WEDNESDAY AUGUST 2	<p>10:30 AM – 12:00 PM LOCATION: Discovery Centre DROP IN ART PROGRAM: DECORATE THE DISCOVERY CENTRE The Discovery Centre is looking bland... Come channel your inner artist and decorate the Discovery Centre patios with sidewalk chalk! Chalk provided.</p>	
	<p>3:00 PM LOCATION: Lighthouse Point Trail GUIDED HIKE: LIGHTS WILL GUIDE YOU HOME Walk along the Lighthouse Point Trail and discover the rich history of shipping on Georgian Bay, its shipwrecks, and how these waters have always been treacherous!</p>	
	<p>8:00 PM LOCATION: Amphitheatre EVENING PROGRAM: ANISHINAABE STORYTELLING An evening of storytelling with Isaiah, our Indigenous Educator. Come listen to how the Mukwa/bear lost his tail and why Nimosh/dog is man's best friend!</p>	
THURSDAY AUGUST 3	<p>10:00 AM – 12:00 PM LOCATION: See Locations Below SPECIAL EVENT: KILLBEAR BIOBLITZ Join Killbear's Community Science event where visitors, Park Naturalists and our friends from the Georgian Bay Biosphere will spend the morning looking for and documenting what animals and plants we can find! We will use nets, smart phones, and the iNaturalist app. Nets will be provided. Location 1: Main Park Office (sweepnetting, looking for flying insects) Location 2: Lookout Point Trail Overflow Parking Lot (dipnetting, looking for aquatic insects) Meet us at either location! Because of possible rattlesnakes, long pants and shoes are necessary. Bring a hat and water!</p>	 GEORGIAN BAY BIOSPHERE MNIDOO GAMII
	<p>3:00 PM LOCATION: Discovery Centre ASK THE NATURALIST: RECONCILIATION AT KILLBEAR Find out about the Robinson-Huron Treaty and how Killbear has been working to improve relationships with Wasauksing First Nation and Shawanaga First Nation.</p>	
FRIDAY AUGUST 4	<p>10:30 AM LOCATION: Day Use Picnic Shelter ART PROGRAM: TREE COOKIE PAINTING Limited space available. Sign up is required at the Discovery Centre prior to the Program. Join our Naturalists at the Day Use Picnic Shelter and create a memory that will last forever! Paint a tree 'cookie' to take home from your trip to Killbear. Paint, brushes, and tree cookies will be provided.</p>	
	<p>1:00 PM – 2:30 PM LOCATION: Harold Point Suboffice DROP IN: ASK THE AMBASSADOR Are you new to Ontario Parks or camping and have questions? Join our Park Ambassador Kate to have your questions answered and learn some new tips!</p>	
	<p>4:30-6:30 PM Harold Point Suboffice ASK THE NATURALIST: BEARS Stop by to learn how to bearproof your site and keep bears safe at Killbear!</p>	
	<p>4:30-6:30 PM Beaver Dams Suboffice ASK THE NATURALIST: SNAKES Stop by to learn about snakes and how to camp safely with Rattlesnakes at Killbear!</p>	
SATURDAY AUGUST 5	<p>10:30 AM LOCATION: Day Use Beach KIDS PROGRAM: DINOSAURS OF THE SKY! Meet Emily the Naturalist and learn about the dinosaurs that still roam the skies today... Dragonflies! Come learn about the amazing adaptations dragonflies have that allowed them to survive over millions of years and see some of our dragonfly friends up close and personal! Nets and bug buckets are provided. Sharing may be required.</p>
